(b) The state department of transportation is directed to erect suitable signs or affix suitable markers designating the bridge described in subsection (a) as the "James Caldwell Memorial Bridge".

(c) The erection of signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

(d) This section shall become operative only if the federal highway administrator advises the commissioner of transportation in writing that this section shall not render the state in violation of federal laws and regulations and subject to penalties prescribed therein.

(e) This section shall become operative only if the cost of the manufacture and installation of such signs is paid to the department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.

SECTION 29.

(a) Notwithstanding any law to the contrary, the bridge over Rock Creek on State Route 50 / U.S. Highway 431 South on East Commerce in Marshall County is hereby designated as the "Louis D. Lingner Memorial Bridge".

(b) The state department of transportation is directed to erect suitable signs or affix suitable markers designating the bridge described in subsection (a) as the "Louis D. Lingner Memorial Bridge".

(c) The erection of signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

(d) This section shall become operative only if the federal highway administrator advises the commissioner of transportation in writing that this section shall not render

the state in violation of federal laws and regulations and subject to penalties prescribed therein.

(e) This section shall become operative only if the cost of the manufacture and installation of such signs is paid to the department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.

SECTION 30.

(a) Notwithstanding any law to the contrary, the bridge on U.S. Highway 31A/State Route 11 that spans Rich Creek in Marshall County is hereby designated as the "Morris and Quenten Looney Memorial Bridge" in honor of these two brothers who courageously served their country in the United States Army during World War II and the Korean War.

(b) The state department of transportation is directed to erect suitable signs or affix suitable markers designating the bridge described in subsection (a) as the "Morris and Quenten Looney Memorial Bridge".

(c) The erection of signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

(d) This section shall become operative only if the federal highway administrator advises the commissioner of transportation in writing that this section shall not render the state in violation of federal laws and regulations and subject to penalties prescribed therein.

(e) This section shall become operative only if the cost of the manufacture and installation of such signs is paid to the department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.

SECTION 31.

(a) Notwithstanding any provision of law to the contrary, the bridge spanning Little Creek on State Route 63 in the City of Huntsville, Scott County near the western junction of such route with Jeffers Road is hereby designated the "Sgt. Brian Boshears Memorial Bridge" to honor the memory of this beloved husband, father and resident of Scott County, and outstanding member of the Tennessee Highway Patrol, who served the citizens of this state for twenty-five (25) years.

(b) The state department of transportation is directed to erect suitable signs or to affix suitable markers designating the bridge described in subsection (a) as the "Sgt. Brian Boshears Memorial Bridge".

(c) The erection of such signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

(d) This section shall not become operative if the federal highway administrator advises the commissioner of transportation in writing that this section renders Tennessee in violation of federal laws and regulations and subject to penalties prescribed therein.

(e) This section shall become operative only if the cost of the manufacture and installation of such signs is paid to the state department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.

SECTION 32.

(a) Notwithstanding any law to the contrary, the bridge on State Route 62 (Bridge No. 65SR0620025) in Morgan County that spans Middle Creek and is located between the communities of Coalfield and Oliver Springs is hereby designated as the "Aaron Brady Walls Memorial Bridge" to honor the memory of this beloved resident of Harriman, former resident of Coalfield, and sports enthusiast who played football for the Oliver Springs and Coalfield High Schools and passed away on April 30, 2012, after a tragic accident.

(b) The state department of transportation is directed to erect suitable signs or affix suitable markers designating the bridge described in subsection (a) as the "Aaron Brady Walls Memorial Bridge".

(c) The erection of signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

(d) This section shall not become operative if the federal highway administrator advises the commissioner of transportation in writing that this section renders the state in violation of federal laws and regulations and subject to penalties prescribed therein.

(e) This section shall become operative only if the cost of the manufacture and installation of such signs is paid to the department of transportation from non-state funds within one (1) year of the effective date of this act. Such payment shall be made prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to the person or entity paying for such signs within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, an amount equal to the difference in such costs shall be remitted to the department in non-state funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.
